Growing

Learning bowl with suction cup

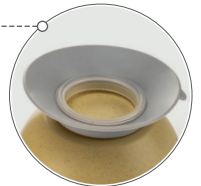

item no.: 22203 / 22214 / 22241 / 22255

Eating independently like the grown-ups - as soon as the little ones start their first independent attempts at eating, it's time for age-appropriate children's tableware. The learning bowl with suction cup sticks to the table and ensures that nothing slips, that nothing slips and tips over.

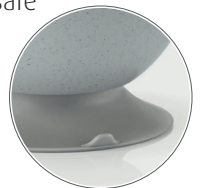

- **with extra large suction cup and detachable tab:**
sticks perfectly to the table and can be easily removed again

- **easy to use and clean:**
microwaveable and dishwasher safe

- **available in 4 colours:**
pink, yellow, blue and grey

- **complies with the EN 14372 safety standard**

- **good for our environment:**
made from 80% renewable raw materials; packaging material consists of 100% recycled materials
